

Announcing Western Dakota Insurors Small Business Unit

Western Dakota Insurors has created a department that is specializing in the insurance needs of the small business owner. We feel small businesses deserve just as much attention as large businesses. We are here for you!

Our team will be responsible for helping you find the best insurance coverage available with the most competitive rates. The small business team can provide for ALL of your insurance needs. Your changes, claims and certificates of insurance will be handled through the small business unit. We want to get to know you and your business.
